TASKBOOK
RUGGED TABLET FOR INDUSTRIAL APPLICATIONS

OVERVIEW

Datalogic is pleased to announce the new TaskBook, a rugged tablet expressly designed for industrial applications. With its unique concept of "one-handed" operation, it introduces a new and unique way to operate inside factories and warehouses with a tablet form factor.

Wear the TaskBook and experience its great ergonomics and feel how well it is balanced on the arm: with its optional handgrip that integrates either a Standard or Auto Range 2D imager along with a hot swappable battery, the TaskBook provides top efficiency with its single handed scanning operation and ability to operate 24/7.

Dock the TaskBook on a forklift with one hand only: with its optional docking station that can be fully integrated into a forklift for a flexible vehicle mount solution, perfect for small forklifts or where mobility is required.

Use the TaskBook without fear and experience the built-in ruggedness: with an IP65 rating, a rugged housing that protects the device from the most hazardous environments, Corning® Gorilla® glass with 1.6 mm thickness (4 times better than consumer grade!) and 1.2 m / 4 ft repeated drops to concrete, the TaskBook can be used in most any extreme environment for applications such as logistics, maintenance, quality control, and inspections.

TaskBook is available in both a 7 inch and a 10 inch display with Windows 10 IoT operating system.

FEATURES AND BENEFITS

PRODUCT FEATURES	BENEFITS FOR CUSTOMER
Two form factors	TaskBook is available in 7 in and 10 in form factors. Both sizes allow very comfortable operation on the user's forearm leaving the other hand free for handling products or materials. Accessories are shared between the two form factors including the scanner handgrip and various docks and chargers.
Ruggedness is first	IP65 sealing, rugged housing with automotive grade fiber- glass / plastics, Corning Gorilla glass touch screen with 1.6 mm thickness, and 1.2 m / 4.0 ft drop resistance to concrete, together make the TaskBook the most rugged solution for any harsh environment.
Anti-glare multi-touch screen	Corning Gorilla glass radically reduces touchscreen failures and protects the screen from scratching. Anti-glare treatment allows use of the TaskBook both indoors and out. Support for gloves allows further flexibility in all conditions.
Wi-Fi and Bluetooth integrated	Wi-Fi 2.4 GHz and 5 GHz dual band support in compliance with 802.11 a/b/g/n/ac and 802.11 /r (fast roaming) allows the TaskBook to remain connected even under tough conditions. Integrated Bluetooth® v4.0 allows wireless connection to local peripherals.
Software Keyboard Options	TaskBook features an integrated and customizable software keyboard available in 6 languages and 3 different predefined layouts. Besides the preinstalled keyboards, users can define their own: any size customizable, any character/font selectable, colors and transparency fully adjustable.
Docking Station	A wide choice of docking stations is available depending on the application and the installation: dual power supply choice in either AC or DC voltage for stationary or vehicle use, and different lever systems (none, plastic, metal key) to secure the device to the docking station. Nevertheless, every docking station is equipped with Ethernet, RS-232 and USB (2x) ports to allow connectivity to external peripherals and devices.
Handgrip	A detachable handgrip with Standard or Auto Range 2D imager and hot swappable battery can be easily attached to the tablet for a unique solution for single handed scanning operations on 24/7 basis.
Single Handed Operation	Single handed scanning operation allows significant increase of efficiency; and one handed docking transforms the TaskBook into a Vehicle Mount Solution fully integrated and embedded with the forklift/vehicle.

VMC FULL INTEGRATION

When used in a vehicle mount application, the TaskBook works as an integral part of the vehicle: power on and off can be triggered by the ignition sense of the vehicle, screen blanking feature can be activated when vehicle is moving, seamless integration can be achieved with Datalogic's fixed scanners and/or hand held readers connected through the docking station's available ports.

The bundle "PowerScan 9XXX + SD9030 dongle + TaskBook" represents the "three in one" unbeatable high-efficiency warehouse solution.

TARGET INDUSTRY APPLICATIONS

- **Warehousing and Distribution:** Inventory, Picking, Shipping/Receiving, Put-away, Cross docking
- **Transportation & Logistics:** Vehicle Mount Solution for all kind of forklifts and/or where a portrait device is needed
- **Manufacturing:** Process Control, Quality Control, HMI Removable Panel
- **Retail:** Picking for Home Delivery, Backend Receiving, Inventory, and Restocking

ACCESSORY INFORMATION

PART NUMBER	DESCRIPTION	AVAILABILITY:
	HANDGRIP	
94ACC0211	Handgrip for TaskBook **with Standard Range 2D imager** (with Hand Strap)	May 31, 2019
94ACC0212	Handgrip for TaskBook **with Auto Range 2D imager** (with Hand Strap)	February 28, 2019
94ACC0213	Handgrip for TaskBook **without scanner** (with Hand Strap)	February 28, 2019
	DOCKING STATION	
94ACC0214	Vehicle/Stationary Docking Station **12-48 VDC for TaskBook without locks** (include 2xUSB, 1xEthernet, 1xRS-232, Standard Back cover, DC Power Cable 2.9 m)	February 28, 2019
94ACC0215	Vehicle/Stationary Docking Station **110/230 VAC for TaskBook without locks** (include 2xUSB, 1xEthernet, 1xRS-232, Standard Back cover)	February 28, 2019
94ACC0216	Vehicle/Stationary Docking Station **12-48 VDC for TaskBook with lever lock** (include 2xUSB, 1xEthernet, 1xRS-232, Standard Backcover, DC Power Cable 2.9 m)	February 28, 2019
94ACC0217	Vehicle/Stationary Docking Station **110/230 VAC for TaskBook with lever lock** (include 2xUSB, 1xEthernet, 1xRS-232, Standard Back cover)	February 28, 2019

94ACC0218	Vehicle/Stationary Docking **Station 12-48 VDC for TaskBook with key lock** (include 2xUSB, 1xEthernet, 1xRS-232, Standard Back cover, DC Power Cable 2.9 m)	February 28, 2019
94ACC0219	Vehicle/Stationary Docking **Station 110/230 VAC for TaskBook with key lock** (include 2xUSB, 1xEthernet, 1xRS-232, Standard Back cover)	February 28, 2019
94ACC0220	Vehicle/Stationary Docking Station **12-48 VDC for TaskBook without locks + Audio** (include 2xUSB, 1xEthernet, 1xRS-232, Back cover with Speaker, DC Power Cable 2.9 m)	February 28, 2019
94ACC0221	Vehicle/Stationary Docking Station **110/230 VAC for TaskBook without locks + Audio** (include 2xUSB, 1xEthernet, 1xRS-232, Back cover with Speaker)	February 28, 2019
94ACC0222	Vehicle/Stationary Docking Station **12-48 VDC for TaskBook with lever lock + Audio** (include 2xUSB, 1xEthernet, 1xRS-232, Back cover with Speaker, DC Power Cable 2.9 m)	February 28, 2019
94ACC0223	Vehicle/Stationary Docking Station **110/230 VAC for TaskBook with lever lock + Audio** (include 2xUSB, 1xEthernet, 1xRS-232, Back cover with Speaker)	February 28, 2019
94ACC0224	Vehicle/Stationary Docking Station **12-48 VDC for TaskBook with key lock + Audio** (include 2xUSB, 1xEthernet, 1xRS-232, Back cover with Speaker, DC Power Cable 2.9 m)	February 28, 2019
94ACC0225	Vehicle/Stationary Docking Station **110/230 VAC for TaskBook with key lock + Audio** (include 2xUSB, 1xEthernet, 1xRS-232, Back cover with Speaker)	February 28, 2019
BATTERIES / BATTERY CHARGERS		
94ACC0226	Battery Pack for TaskBook Handgrip (2 pack)	February 28, 2019
94ACC0227	Multi Battery Charger for TaskBook Handgrip Batteries (3 slots)	February 28, 2019
94ACC0228	USB-C 3A Charger for TaskBook - direct charging of internal battery only (requires line cord)	February 28, 2019
HANDSTRAPS / HOLSTERS / HOLDERS		
94ACC0229	Handstrap for TaskBook Handgrip (already included with handgrip)	February 28, 2019
94ACC0230	Wearable Holster for TaskBook 7 (includes belt loop and shoulder strap)	February 28, 2019
94ACC0231	Wearable Holster for TaskBook 10 (includes belt loop and shoulder strap)	February 28, 2019
94ACC0232	Backcover for TaskBook Docking station with USB	February 28, 2019

HANDSTRAPS / HOLSTERS / HOLDERS (CONT.)		
94ACC0233	Backcover for TaskBook Docking Station with Speaker and USB	February 28, 2019
94ACC0234	Vehicle/Stationary holder for TaskBook (both 7" and 10")	February 28, 2019
94ACC0235	Table Holder for TaskBook Docking Station	February 28, 2019
94ACC0236	120˚ Holder for TaskBook Vehicle/Stationary Docking Station VESA mount	February 28, 2019
94ACC0237	RAM Mount C Size for TaskBook (includes arm and mounting base)	February 28, 2019
POWER CABLES

DEMO KIT

Datalogic is introducing promotional kits bundling both size TaskBook devices together with its' handgrip with scanner and batteries, a docking station with AC power supply and a practical suitcase to transport all the items. These kits offer an 'All-In-One' solution for Datalogic partners and customers, providing an alternative for promotional and sales activities.

PART NUMBER	DESCRIPTION - KIT	AVAILABILITY
943400021	This kit includes - 943400001 TaskBook 7", Win10, 5 MP camera - 943400011 TaskBook 10", Win10, 5 MP Camera - 94ACC0211 Handgrip with Standard Range 2D imager - 94ACC0212 Handgrip with Auto Range 2D imager - 94ACC0217 TaskBook Dock Stn VAC lever lock - 94ACC0226 Battery Pack TaskBook Handgrip (2 pack) - 94ACC0227 Battery Charger for 3 Handgrip Batteries - 94ACC0228 USB-C Charger - 94ACC0240 Suitcase for Demo TaskBook	February 28, 2019 (EU/ANZ)

TRAINING INFORMATION

A new Datalogic Training Center course will be available in May 2019 for the TaskBook. The Training Center provides a self-paced, online training program, covering the functions, features and competitive advantages of the TaskBook device. To access the Training Center, visit this link: http://training.datalogic.com.

GEOGRAPHICAL AVAILABILITY

TaskBook will be available as fully certified in the following countries/regions upon the general availability dates specified above:

- o **E.U.**
- o **Australia & New Zealand**

Contact the Product Marketing Manager for other country requests.
